PETITION TO ENTER DECLARATION UNDER 37 C.F.R. § 1.132

1. Applicant respectfully petitions the Commissioner to enter into the record the Replacement Declaration Under 37 C.F.R. § 1.132 of Dr. Ronald D. Williams that was filed on 19 August 2005.
2. The original Declaration Under 37 C.F.R. § 1.132 of Dr. Ronald D. Williams was filed on 2 May 2005, and was entered into the record at least by the issuance of the 27 June 2005 Office Action.
3. On page 15 of that 27 June 2005 Office Action, the Office noted that "the declaration under 37 CFR 1.132 filed 5/2/2005 is insufficient to overcome the rejection of claims 4-11..." because "the date 10/26/2000 used by the argument as the priority date of the Application is erroneous because the effective date therefor **should be 10/26/1999**" (emphasis added).
4. Thus, the 27 June 2005 Office Action both provided the corrected priority date and indicated that the correct priority date "should be" in the Declaration.

PATENT**Application # 09/697,419****Attorney Docket # 1999P07938US01 (1009-045)**

5. To address this minor informality, for which the 27 June 2005 Office Action both provided and requested the needed correction, applicant filed the Replacement Declaration Under 37 C.F.R. § 1.132 of Dr. Ronald D. Williams on 19 August 2005.
6. The only substantive change in the Replacement Declaration versus the original Declaration was the correction of each mention of the priority date of the application to the correct priority date of 26 October 1999.
7. Via the cover sheet accompanying that Replacement Declaration, applicant explained that the Replacement Declaration was filed to "correct[] each mention of the priority date of the application to 26 October 1999".
8. Via the Advisory Action dated 7 October 2005, the Replacement Declaration was refused entry because applicant allegedly "failed to provide a showing of a good and sufficient reasons [sic] why the affidavit or other evidence is necessary and was not earlier presented. See 37 CFR 1.116(e)."
9. Yet applicant did explain, upon filing the Replacement Declaration, that the Replacement Declaration was being filed to "correct[] each mention of the priority date of the application to 26 October 1999", which the 27 June 2005 Office Action strongly implied, via its use of the phrase "should be", was a "good and sufficient reason why" the filing of the Replacement Declaration was "necessary".
10. Moreover, other than the correction of the inadvertent error regarding the priority date of the present application, the Declaration was "earlier presented", as acknowledged by the 27 June 2005 Office Action.
11. Further, but for the 27 June 2005 Office Action bringing to applicant's attention the fact that the original Declaration contained a inadvertent error regarding the priority date, applicant would not have known about the inadvertent error, and thus could not have "earlier presented" the Replacement Declaration.
12. Thus, applicant respectfully submits that the refusal to enter the Replacement Declaration was improper, and respectfully requests the Commissioner to enter the Replacement Declaration into the record.
